SPECIAL INVITATION

Join Park and Recreation on a tour of the Rosemary property

Saturday, April 30, 2016

10:00 AM—12:00 Noon

Park at Rosemary Pool—178 Rosemary Street

10:00 AM

We will start the morning with a walk on the Rosemary trails, starting from the pool parking lot. The camp property is a beautiful sanctuary, just a block from Needham center. Learn the history of the lake, from its origins as a meadow. *Recently seen at Rosemary…Great Blue Heron and a Great Egret.*

11:00 AM

We will share the exciting design concept for the new Rosemary Recreation Complex *(Article 40 at May's Town Meeting)* as well as the project to continue to clean Rosemary Brook and Rosemary Lake *(Article 39 at May's Town Meeting).*

If funding is approved, the goal is to have a new complex ready for Summer 2018!

Residents of all ages are welcome—dogs on leash, too. This event will be held rain or shine.
