Review of events 3/12, 3/19, and 3/26 – no issues. Attendance improved in later part of March – basketball season over. Battle of Bands – great venue for performers – decrease numbers of attendees – need to reconsider running event next year. Plan to schedule March events later in month if possible.

Review of 4/9 graduation dance – good attendance, decorations and food noticed by students. Small group of male students unable to attend related to lacrosse game – may need to notify town coaches next year regarding date of grad dance.

Review of 4/30 event – all grade carnival – good attendance – equipment did not work as planned – received discount from company – will not use same company next year – may need to revisit planning and need for this event in future years.

Discussed finances – monies may be slightly decreased from last year due to slightly lower attendance, increased single grade events, and donation to Haiti relief. Once all receipts have been submitted – summary of finances will be requested from Town.

Plan to do more theme events for next year, however less overall events. Utilize trivia games.
