1.3.3 A motion to reconsider a warrant article in the warrant of a Town Meeting convened under such warrant may be adopted by a simple affirmative majority vote of said Town Meeting. No other motion to amend shall be admissible. The motion to fund, so corrected if necessary, shall be voted or rejected by the Town Meeting. No motion in relation to collective bargaining agreement will be admissible which the Moderator, after consultation with Town Counsel, determines to be in contravention of M.G.L. Chapter 150E.

1.13.2 The chairman of each temporary study committee established by the town meeting shall, upon the termination of the existence and the work of his committee, deposit with the Town Librarian the working papers and other material gathered or compiled by the committee in the course of its work. Subject to the approval of the Town Clerk and the requirements of M.G.L. Chapter 66, the Town Librarian may destroy that portion of the working papers and material having no substantial value, with the balance being deposited in the public administration collection.

SECTION 1.14 TOWN MEETING WARRANTS

The last date on which the Board of Selectmen shall receive articles, by petition or otherwise, for inclusion in the warrant for the next Annual Town Meeting shall be the first Monday in February. The Board of Selectmen are not

Whoever violates the provisions of this subsection 2.2.5.2.1 shall be subject to a fine of not exceeding twenty dollars (\$20.00) for each offense under the non-criminal process authorized by MGL Chapter 40, Section 21D. Each day on which the violation continues shall be considered a separate offense.

- (b) Every street or way shall be at least forty feet in width and have a road bed not less than twenty feet in width.
- (c) All loam shall be removed from the road bed to a depth of twelve inches below finished grade and from the sidewalk to a depth of six inches, or such greater depth as may be required by the Director of Public Works.
- (d) The entire area of every new street shall be first cleared of all stumps, brush, roots, and like material and all trees not intended for preservation.
- (e) All excavation or embankment work shall be brought accurately to a subgrade of not less than eight inches for the roadway and four inches for the sidewalk below finished grade, or such greater depth as the nature of the subsoil, in the opinion of the Director of Public Works, may require.
- (f) All corners of intersecting streets or ways shall be rounded as approved by the Director of Public Works.
- (g) The bottom of the excavation and the top of the fill when completed, hereinafter known as the subgrade, shall be true to the lines, grades and cross-sections given by the Director of Public Works. After all drains have been laid and the subgrade has been shaped correctly, it shall be brought to a firm, unyielding surface by rolling the entire area with an approved three (3) wheeled roller, weighing not less than ten (10) tons. Any portion of the subgrade which is not accessible to a roller shall be thoroughly tamped by hand. All soft and yielding material and other portions of the subgrade which will not compact readily when rolled or tamped shall be removed and replaced

with suitable material. All rock or boulders found in the excavation shall be taken away or broken off to a depth of not less than six (6) inches below the surface of the subgrade. The bottom of the base course shall be spread with dry, clean 1 1/4-inch to 2 1/2-inch stone over the bottom course, in such a quantity that after being rolled there will be a depth of not less than 2 1/2 inches and not more than 3 inches, and then shall be rolled until the stone does not creep under action of the roller. One and three-fourth gallons of tar or asphalt binder shall then be applied to each square yard of road surface. Dry, clean 3/4-inch stone shall be spread evenly over the surface, rolled thoroughly; and there shall then be applied to this surface 1/2 gallon of asphalt binder per square yard, which shall be covered with dry, clean pea stone and rolled until a smooth, unyielding surface results.

2.2.5.1.3 Petition for Acceptance of New Streets. SECTION 4.4 GENERAL

4.4.1 Denial, Revocation or Suspension for Failure to Pay Municipal Taxes.

4.4.1.1 The tax collector or other municipal official responsible for records of all municipal taxes, assessments, betterments and other municipal charges, hereinafter referred to as the tax collector, shall annually furnish to each department, board, commission or division, hereinafter referred to as the licensing authority, that issues licenses or permits including renewals and transfers, a list of any person, corporation, or business enterprise, hereinafter referred to as the party, that has neglected or refused to pay any local taxes, fees, assessments, betterments or other municipal charges for not less than a twelve month period, and that such party has not filed in good faith a pending application for an abatement of such tax or a pending petition before the appellate tax board.

4.4.1.2 The licensing authority may deny, revoke or suspend any license or permit, including renewals and transfers of any party whose name appears on said list furnished to the licensing authority from the tax collector or with respect to any activity, event or other matter which is the subject of such license or permit and which activity, event or matter is carried out or exercised or is to be carried out or exercised on or about real estate whose owner has neglected or refused to pay local taxes, fees, assessments, betterments or any other municipal charges provided, however, that written notice is given to the party and the tax collector, as required by applicable provisions of law, and the party is given a hearing, to be held not earlier than fourteen days after said notice. Said list shall be prima facie evidence for denial, revocation or suspension of said license or permit to any party. The tax collector shall have the right to intervene in any hearing conducted with respect to such license denial, revocation or suspension. Any findings made by the licensing authority with respect to such license

denial, revocation or suspension shall be made only for the purposes of such proceeding and shall not be relevant to or introduced in any other proceeding at law, except for any appeal from such license denial, revocation or suspension. Any license or permit denied, suspended or revoked under this section shall not be reissued or renewed until the license authority receives a certificate issued by the tax collector that the party is in good standing with respect to any and all local taxes, fees, assessments, betterments or other municipal charges payable to the municipality as the date of issuance of said certificate.

4.4.1.3 Any party shall be given an opportunity to enter into a payment agreement, thereby allowing the licensing authority to issue a certificate indicating said limitations to the license or permit and the validity of said license shall be conditioned upon the satisfactory compliance with said agreement. Failure to comply with said agreement shall be grounds for the suspension or revocation of said license or permit; provided, however, that the holder be given notice and a hearing as required by applicable provisions of law.

4.4.1.4 The Board of Selectmen may waive such denial, suspension or revocation if it finds there is no direct or indirect business interest by the property owner, its officer, stockholders, if any, or members of his immediate family, as defined in M.G.L. Chapter 268A, Section 1 in the business or activity conducted in or on said property.

This section 4.4.1 shall not apply to the following licenses and permits authorized by the following Massachusetts General Laws: open burning, section thirteen of chapter forty-eight; bicycle permits, section eleven A of chapter eighty-five; sales of articles for charitable purposes, section thirty-three of chapter one hundred and one; children work-permits, section sixty-nine of chapter one hundred and forty-nine; clubs, associations dispensing food or beverage licenses, section twenty-one E of chapter one hundred and forty; dog licenses, section one hundred and thirty-seven of chapter one hundred and forty; fishing, hunting, trapping license, section twelve of chapter one hundred and thirty-one; marriage licenses, section twenty-eight of chapter two hundred and seven and theatrical events, public exhibition permits, section one hundred and eighty-one of chapter one hundred and forty.

ARTICLE 5

SIGN BY-LAW

SECTION 5.1 AUTHORITY AND OBJECTIVES

This article shall be known as the Sign By-Law, and is adopted under the authority of M.G.L. Chapters 93 and 43B. It is intended that this article will serve the following objectives:

Facilitate efficient communications to ensure that people receive the messages they need or want; promote good relationships between signs and the buildings and environment to which they relate; maintain visual diversity by avoiding a requirement of uniformity; and support business vitality within business and industrial zones by avoiding burdensome procedures and restrictions.

It is hereby determined that if the number of signs in the Town of Needham is excessive and unduly distracting to motorists and pedestrians, it can create a traffic hazard, reduce the effectiveness of signs needed to direct the public and mar the appearance of the Town of Needham.

The regulations contained in this article are the minimum amount of regulation necessary to achieve its purposes.

SECTION 5.2 DEFINITIONS

Sign: Any device designated to inform or attract the attention of persons who are not on the premises on which the device is located. Any exterior building surfaces which are internally illuminated or decorated with gaseous tube or other lights are considered signs. The following, however, shall not be considered signs within the context of this article:

- a) flags and insignia of any government except when displayed in connection with commercial promotion;
- b) legal notices or informational devices erected or required by public agencies;

- c) standard gasoline pumps bearing thereon in usual size and form the name, type, and price of gasoline;
- d) integral decorative or architectural features of buildings, except letter, trademarks, moving parts or parts internally illuminated or decorated with gaseous tube or other lights;
- e) on-premises signs guiding and directing traffic and parking, not exceeding two square feet in area and bearing no advertising matter;
- f) devices hand-carried or mounted on vehicles, unless regularly or recurrently located for fixed display;
- g) signs on newspaper vending machines or newspaper racks, which are limited in context to the name and logo of the newspaper sold via such machine or rack and to the means of purchasing a newspaper from such machine or rack.

Sign Area: The area of the smallest horizontally or vertically oriented rectangle which could enclose all the display area of the sign, together with any backing different in color or material from the finish material of the building face, and together with any decorative framing or other element whose judged intent is to extend the effective sign area, exclusive of minimal supporting framework, but without deducting for open space or other irregularities. Only one side of flat, back-to-back signs need be included in calculating sign area. In the event of lettering on an awning, the sign area shall be the area of the smallest horizontally or vertically oriented rectangle which could enclose all the lettering and symbols thereon.

On-Premises Signs: Only signs pertaining exclusively to the premises on which they are located or to the products, accommodations, services or activities on the premises are on-premises signs.

Off-Premises Signs: Signs not pertaining exclusively to the premises on which they are located or to the products, accommodations, services or activities on the premises on which they are located.

Temporary Sign: Any sign constructed of paper, cloth, canvas, fabric, cardboard, wallboard, wood, metal, or plastic or other light material, with or without frames, intended to be displayed for a continuous period of not more than sixty days.

Permanent Attached Signs: Signs, other than temporary signs, which are attached to a building or visible through its window, whether wall or projecting, are permanent attached signs.

Permanent Freestanding Signs: Signs, other than temporary signs, which are not attached to a building, are permanent freestanding signs.

Compound Sign: One sign structure with two or more signs on it.

Street Banner: A sign in the form of a banner spanning a public street, placed within the Town right-of-way, and/or in locations designated pursuant to Section 5.3.1.5 below.

SECTION 5.3 ADMINISTRATION

5.3.1 Design Review Board. Except for street banners governed, reviewed and approved by the Board of Selectmen pursuant to Subsection 5.3.1.5, the review of all sign permit applications, and requests for special permits shall be performed by the Design Review Board (herein referred to as the "Board"), as further defined in Section 7.7 of the Needham Zoning By-Law. Three members shall constitute a quorum. All decisions shall require a positive vote of at least three members.

The Board shall meet at least monthly at such time and place to be determined by the members and at such additional times as it determines necessary to carry out the provisions of this article. In the event a member is unable or refuses to sit, the Chairman shall designate an alternate member to sit in the place of that absent member.

5.3.1.5 Board of Selectmen. Street Banners, which are placed within the Town right-of-way, spanning public streets and/or in locations authorized by the Board of Selectmen providing notice of a community-wide public event open to the general public and/or an activity of general community interest and which are hosted by the Town or its departments, boards, agencies, or commissions or by non-profit groups or organizations, may be specifically approved by the Board of Selectmen and displayed in locations authorized by the Board of Selectmen for a time period not to exceed fourteen (14) consecutive days before the announced event. Neither commercial advertising nor partisan political content shall be allowed to appear on the street banner. All street banners will be removed within two business days after the announced event or entertainment. Street Banners shall not be subject to the sign requirements of Subsections 5.3.2, 5.3.3, 5.3.4, 5.3.5, 5.3.6, and 5.3.7, and Sections 5.4 and 5.5. The Board of Selectmen may promulgate such regulations regarding street banners as it deems appropriate.

5.3.2 Issuance of Permits. No sign shall be erected, enlarged, redesigned, structurally altered, or used without the review of the Board, at which the applicant shall appear, and a sign permit issued by the Building Inspector, except for signs described in Sub-sections 5.5.1 (a), 5.5.1 (c), and 5.5.3.4. Permits shall be authorized only for signs in conformance with this article.

Applicants shall file a permit application accompanied by a photograph of the facade to which the sign is to be attached, or the area of intended location if unattached, and two prints of scale drawings of the sign and supporting structure showing placement thereon; the applicant shall also file five copies of the permit application, including five copies of all application materials, with the Design Review Board. (See Section 7.7 Design Review, of the Zoning By-Law.) If an applicant requires guidance as to whether any special permits are required or knows that such permit or permits are required, the applicant may file his application with the Building Inspector. If the Building Inspector finds that the proposed sign is in all respects in conformance with this article, he shall within 35 days of filing instruct the applicant to file the application directly to the Design Review Board.

The Design Review Board shall review requests for sign permits submitted and shall, within thirty-five (35) days of the receipt of the application materials, transmit its advisory recommendations regarding the design of the sign to the Building Inspector and the applicant. No sign permit shall be issued by the Building Inspector within this thirty-five (35) day period unless said recommendations are sooner received. If approved by the Design Review Board, the Building Inspector shall issue a sign permit within 45 days of the filing of the application.

If the Building Inspector, upon requested review, finds that the proposed sign is not in conformance with this Article as aforesaid, he shall, within 35 days of the filing of the application notify the applicant in writing of the reasons why a sign permit cannot be granted as of right and give the applicant the option of revising the signage or applying for a special permit. The Building Inspector shall forward a copy of such notice to the Board.

5.3.3 Appeal from Building Inspector's Action or Failure to Act

Any person aggrieved by the Building Inspector's action or failure to act may appeal by filing an appeal with the Board and the Town Clerk within 30 days of the Building Inspector's action or failure to act. The Board shall rule on the appeal within 75 days of the filing of the appeal with the Town Clerk. If the Board denies relief to the applicant, it shall notify him in writing of the reasons for such denial. Failure of the Board to act within said 75 days shall be deemed to be a grant of the relief sought, subject to applicable judicial appeal under state law. If, on appeal, the permit is approved, the Board shall direct the Building Inspector to issue the permit.

5.3.4 Special Permits. If an applicant wishes to obtain a permit for a sign that does not comply with this article, he shall apply to the Board for a Special Permit from the requirements of this article in accordance with the procedure established under Sub-section 5.3.3 of this article. The Board shall set a date for and hold a public hearing. It will be the responsibility of the applicant, at his own expense, to give notice of the public hearing at least seven days in advance by advertisement in a newspaper of general circulation in Needham and by posting such notice in a conspicuous place in the Town Hall for a period of not less than 7 days before the day of the hearing. The applicant for a Special Permit is further required to give notice of the public hearing, sent 10 days before the hearing by certified mail, return receipt requested, postage prepaid to all parties in interest.

Parties in Interest as used in Sub-section 5.3.4 shall mean the abutters, owners of land directly opposite the proposed site of the sign on any public or private street or way and abutters to the abutter within three hundred feet of the property line of the applicant as they appear on the most recent applicable tax list.

Publications and notices of the public hearing required by Sub-section 5.3.4 shall contain the name of the area or premises; street address, if any, or other adequate identification of the location, of the area or premises which is the subject of the petition; the date, time and place of the public hearing; the subject matter of the hearing; and the nature of action or relief requested if any. No such hearing shall be held on any day on which a state or municipal election, caucus or primary is held in Needham.

The Board may in its discretion grant a Special Permit, but only if the proposed sign meets all of the Design Guidelines set forth in Sub-section 5.3.5 of this article and if the Board finds that, owing to physical peculiarities of the specific location, literal enforcement of the terms of this article would result in substantial hardship to the applicant or substantial detriment to the vicinity, and that such a Special Permit will be consistent with the stated objectives of this Article. If the Board denies the Special Permit sought, it shall notify the applicant in writing of the reasons for such denial. Failure of the Board to act within 75 days shall be deemed to be a grant of the permit sought by such applicant. If the permit is approved, the Board shall direct the Building Inspector to issue permit with such terms and conditions it deems appropriate.

Special Permits are not transferable.

5.3.5 Design Guidelines. The following guidelines shall be used by the Board in its review of all sign applications. A Special Permit may be permitted under Sub-section 5.3.4 above only if the Board finds that the proposed sign meets all of the following guidelines:

- a) Sign scale is appropriate in relation to development scale, viewer distance and travel speed and sign sizes on nearby structures.
- b) Sign size, shape and placement serves to define or enhance such architectural elements of the buildings as columns, sill lines, cornices and roof edges, and not to interrupt, obscure or hide them.
- c) Sign design is not wholly discontinuous with other signage on the same or adjacent structures, providing continuity in mounting location and height, proportions, materials or other important qualities.
- d) Sign materials, colors, lettering style and form are compatible with building design and use.
- e) Sign content does not overcrowd background.
- f) Sign legibility is not impaired by excessive complexity, multiple lettering styles or colors or other distracting elements.

5.3.6 Fees - General. Application and hearing fees shall be established and revised from time to time by the Board at a level not exceeding that sufficient to defray the estimated cost of administering this article, and shall be based upon the number, area and illumination of the signs applied for.

5.3.7 Temporary Real Estate Signs. Temporary real estate signs require payment of a uniform fee to be determined by the Board whenever a sign is to be displayed on the premises of property being offered. Real estate brokers or agents shall obtain a one-year permit for displaying such signs and shall be subject to a uniform fee to be assessed annually in an amount to be determined by the Board.

SECTION 5.4 GENERAL REGULATIONS

5.4.1 Maintenance. All signs shall be maintained in a safe and neat condition to the satisfaction of the Building Inspector and in accordance with requirements of the State Building Code. Structural damage, missing letters or other deterioration obscuring content shall be remedied within sixty days or the sign shall be removed. Signs pertaining to a business that has closed, discontinued, or changed its name shall be removed within sixty days.

5.4.2 Prohibitions

5.4.2.1 Illumination

- a) Illuminated signs shall be lighted by a steady stationary light, shielded and directed solely at or internal to the sign.
- b) No illumination shall be permitted which casts glare onto any residentially used premises or onto any portion of a way so as to create a traffic hazard, or which results in average face brightness exceeding 60-foot lamberts elsewhere.
- c) No sign shall be illuminated after 11 P.M. and before 7 A.M., unless related to a retail establishment during hours it is open to the public. In an emergency declared by the Selectmen, however, hours of permissible illumination may be expanded or curtailed to the extent and for such period as the Selectmen may require.
- d) Flashing signs, strobe lights, and series or chasing lights, are prohibited from being visible outside a business.

5.4.2.2 Location

- a) No sign shall be erected at the intersection of any streets or of a street and driveway in such a manner as to obstruct free and clear vision; or at any location where, by reason of its position, shape or color, it may interfere with, or obstruct the view of, or be confused with any authorized traffic sign, signal or device.
- b) No signs shall be attached to motor vehicles, trailers or other movable objects regularly or recurrently located for fixed display.
- c) No sign shall be attached to a radio, television, or water tower, or microwave or satellite dish, or any other type of tower or smoke stack.
- d) No sign shall extend above or beyond the end of the wall to which it is attached, nor overhang a street or sidewalk by more than the thickness (up to 12") of a flat wall sign: except one perpendicular, blade, or projecting sign (hereinafter "projecting sign") is allowed by right, even if it is a second sign, provided it does not, in the opinion of the Board, materially obstruct neighboring signs or businesses. Projecting signs may not be internally illuminated. If the projecting sign is the only sign requested by an applicant seven (7) square feet are allowed by right. If the projecting sign is in addition to a sign on the façade, three (3) square feet is allowed by right. Projecting signs may have a maximum projection of four (4) feet from the wall and a minimum of eight (8) feet above the sidewalk.

The Commission shall commence the public hearing within 21 days from receipt of a completed application or request for determination unless an extension is authorized in writing by the applicant.

The Commission shall issue its permit or determination in writing within 21 days of the close of the public hearing thereon unless an extension is authorized in writing by the applicant.

The Commission shall have the authority to continue the hearing to a date certain announced at the hearing, for reason stated at the hearing, which may include receipt of additional information offered by the applicant or others, information and plans required of the applicant deemed necessary by the Commission in its discretion, or comments and recommendations of boards and officials listed in Section 6.6. In the event the applicant objects to a continuance or postponement, the hearing shall be closed; and the Commission shall take action on such information as is available.

SECTION 6.6 COORDINATION WITH OTHER BOARDS

Any person filing a permit application or a request for determination with the Commission shall provide a copy thereof at the same time, by certified mail (return receipt requested) or hand delivery, to the Board of Selectmen, Planning Board, Board of Health and Building Inspector. An affidavit of the person providing such notice, with a copy of the notice mailed or delivered, shall be filed with the Commission. The Commission shall not take final action until such boards and officials have had 21 days from receipt of notice to file written comments and recommendations with the Commission. The applicant shall have the right to receive any such comments and recommendations and to respond to them at a hearing of the Commission, prior to final action.

SECTION 6.7 PERMITS, DETERMINATION AND CONDITIONS

If the Commission, after a public hearing, determines that the activities which are the subject of the application are likely to have a significant or cumulative effect upon the wetland values protected by this article, the Commission, within 21 days of the close of the hearing, shall issue or deny a permit for the activities requested. If it issues a permit, the Commission shall impose conditions which the Commission deems necessary or desirable to protect those values and all activities shall be done in accordance with those conditions.

The Commission is empowered to deny a permit for failure to meet the requirements of this article; for failure to submit necessary information and plans requested by the Commission; for failure to meet the design specifications, performance standards and other requirements in regulations of the Commission; for failure to avoid or prevent unacceptable significant or cumulative effects upon the wetland values protected by this article; and where conditions are inadequate to protect those values. The Commission may require applicants to retain an independent consultant, acceptable in advance by the Commission, in order to provide the Commission with sufficient information on which to base a decision.

A permit shall expire three years from the date of issuance. Notwithstanding the above, the Commission, in its discretion, may issue a permit expiring five years from the date of issuance for recurring or continuous maintenance work, provided that annual notification of time and location of work is given to the Commission. The Commission may renew any permit for one period of up to three years, provided that such request is received in writing by the Commission at least 30 days prior to the expiration of the permit.

The Commission may revoke or modify a permit issued under this article for good cause after notice to the holder of the permit, to the public, to abutters and to town boards pursuant to Section 6.5 and a public hearing.

The Commission, in an appropriate case, may combine the permit or other action on an application issued under this article with the Order of Conditions issued under the Wetlands Protection Act.

No work proposed in any application shall be undertaken until the permit issued by the Commission with respect to such work has been recorded in the Norfolk Registry of Deeds or, if the land affected thereby is registered land, in the registry section of the land court for the Norfolk district, and until the holder of the permit certifies in writing to the Commission that the permit has been so recorded.

SECTION 6.8 REGULATIONS

After public notice and public hearing, the Commission shall promulgate rules and regulations to effectuate the purposes of this article. REPRESENTATIVE TOWN MEETING

Section 4. Representative Town Meeting Continued. There shall continue to be in the town the form of representative town government by limited town meetings, all as more fully hereinafter set forth.

Section 5. Establishment of Town Meeting Precincts. After the acceptance of this charter act by the town, as hereinafter provided, the division of the town into ten voting precincts shall continue until redivided pursuant to this section. The selectmen, in exercising their authority to divide the territory of the town into voting precincts, shall make such division as will provide not more than ten precincts each of which contains approximately the same number of inhabitants. (*Amended Art. 19, Nov. 13, 2000 S.T.M.*)

The precincts shall be established so as to consist of compact and contiguous territory and bounded, so far as possible, by the center line of known streets and ways or by other well-defined limits. Their boundaries shall be reviewed and, if need be, revised by the Board of Selectmen, based on the most recent federal census, in the second January following the taking of said census, conformable to the requirements of sections one through ten of chapter fifty-four of the general laws. In any year when so directed by a vote of a town meeting, their boundaries shall be reviewed and if need be, revised by the Board of Selectmen in conformity to said sections one through ten of chapter fifty-four. (*Amended Art. 19, Nov. 13, 2000 S.T.M.*)

The selectmen shall, within twenty days after any establishment or revision of the precincts, but not later than January thirty-first of that year, file a report of their doings with the town clerk, the registrars of voters and the assessors with a map or maps or description of the precincts and the names and residences of the registered voters therein. The selectmen shall also cause to be posted at the town hall a map or maps or description of the precincts as established or revised from time to time, with the names and residences of the registered voters therein. They shall also cause to be posted

The division of the town into precincts and any revision of such precincts shall take effect upon the date of the filing of the report thereof by the selectmen with the town clerk. Whenever the precincts are established or revised, the town clerk shall forthwith give written notice thereof to the state secretary, stating the number and designation of the precincts.

Meetings of the registered voters of the several precincts for elections, for primaries and for voting upon any question to be submitted to all the registered voters of the town shall be held on the same day and at the same hour and at such place or places within the town as the selectmen shall in the warrant for such meeting direct.

Section 6. Representative Town Meeting Membership. Other than the officers designated in section seven as town meeting members at large, the representative town meeting membership shall in each precinct consist of the largest number divisible by three which will admit of a representation thereof in the approximate proportion which the number of inhabitants therein bears to the total number of inhabitants in the town, and which will cause the total elected membership to be as nearly but not more than two hundred and forty as may be. (*Amended Art. 19, Nov. 13, 2000 S.T.M.*)

In any year in which a revision of the precincts in the town may not be done because of the restrictions imposed by chapter fifty-four of the general laws, the Board of Selectmen may reapportion the seats of the town meeting members elected from precincts in proportion to the number of inhabitants residing therein in order to reflect significant population changes as estimated by the town clerk using the annual street listings and the annual school census. (*Amended Art. 19, Nov. 13, 2000 S.T.M.*)

The registered voters in every precinct shall elect by ballot the number of registered voters in the precinct, other than the officers designated in section seven as town meeting members at large, provided for in the first paragraph of this section to be town meeting members of the town.

The incumbent town meeting members serving at the time this charter becomes effective shall continue to serve the balance of the terms for which they were elected. Their successors shall be elected in the same manner for three year terms as are necessary to provide for each precinct the total number to which it is then entitled. Upon the redivision of the town into a greater or lesser number of precincts in accordance with the procedures set forth in this charter act and in the General Laws, the terms of all incumbent town meeting members shall terminate upon the election and qualification of their successors as provided in the following paragraph.

After any redivision of the town into precincts as provided in this act, the registered voters in every precinct shall elect by ballot the number of registered voters in the precinct, other than the officers designated in section seven as town meeting members at large, provided for in the first paragraph of this section to be town meeting members of the town, as follows: --

The first third in order of votes received of members so elected shall serve three years, the second third in such order shall serve two years, and the remaining third in such order shall serve one year, from the day of such election. In case of a tie vote affecting the division into thirds as aforesaid the members elected from the precinct shall by ballot determine the same. Thereafter, except as is otherwise provided herein, at each annual town election the registered voters of each precinct shall, in like manner, elect as town meeting members for the term of three years such number of elected town meeting members as are necessary to provide for such precinct the total number of elected town meeting members to which it is then entitled, and shall at such election fill for the unexpired term or terms any vacancy or vacancies then existing in the number of town meeting members in such precinct. The terms of office of all elected town meeting members from every precinct shall cease upon the election, as herein provided, of their successors. Town meeting members as such shall receive no compensation. The town clerk, shall, after every election of town meeting members, forthwith notify each member by mail of his election.

Section 7. Town Meeting Members at Large. Any representative town meeting held under the provisions of this act, except as otherwise provided herein, shall be limited to the voters elected under section six, together with the following elected officers designated as town meeting members at large, each of whom shall have the right to vote in said meeting: (a) any resident member of the general court from the town, whose state legislative district is wholly within the town; (b) the moderator; (c) the town clerk; (d) the members of the board of selectmen; (e) the chairmen of each other elected board of the town, except the housing authority and the commissioners of trust funds.

If any voter elected to be a town meeting member under section six shall become by election one of the officers designated as a town meeting member at large in clauses (a), (b), (c), or (d) of the first paragraph of this section, he shall, upon such election, cease to be a town meeting member elected under section six, and the resulting vacancy in the representation of his precinct shall be filled as provided in section nine. A voter may serve at the same time both as a town meeting member upon election as such under section six and as an officer designated as a town meeting member at large under clause (e) of the first paragraph of this section, but he shall be entitled to vote in proceedings of the town meeting as a single member and shall not be entitled to vote twice by reason of his dual tenure of offices.

Section 8. Nomination of Candidates for Town Meeting Members. Nomination of candidates for town meeting members to be elected under this charter act shall be made by nomination papers, which shall bear no political designation, but to the name of an incumbent candidate elected by the people may be added the words "Candidate for reelection." Nomination papers shall be signed by not less than ten voters of the precinct in which the candidate resides, and filed with the town clerk on or before the date fixed by law as the last day for filing nomination papers by candidates for town office; provided, that any town meeting member may become a candidate for reelection by giving written notice thereof to the town clerk on or before the last date fixed by law for the giving of such notice. No nomination papers shall be valid in respect to any candidate whose written acceptance is not thereon or attached thereto when filed.

Section 9. Resignations and Vacancies in Elected Town Meeting Membership. A town meeting member may resign by filing a written resignation with the town clerk, and such resignation shall take effect upon the date of such filing. A town meeting member who removes from the town shall cease to be a town meeting member and an elected town meeting member who removes from one precinct to another or is so removed by a revision of precincts shall not retain membership after the next annual election as an elected member from the precinct from which he has or is removed.

In the event that a vacancy occurs in the full number of town meeting members from any precinct, whether arising from a failure of the registered voters thereof to elect, or from any other cause, the town clerk shall at once choose the person who received the highest number of votes as a defeated candidate for the office of town meeting member in the preceding election in the precinct where the vacancy occurs, and shall notify him of his appointment as a town meeting member. If for any reason this candidate cannot accept such appointment, the second highest in recorded vote of the defeated candidates in that precinct shall be appointed. In the event neither of those receiving the highest or the second highest number of votes as defeated candidates is available, then the town clerk shall call together the town meeting members of the precinct where the vacancy occurs, and they shall by majority vote of those present, elect any registered voter of that precinct to fill such vacancy. The town clerk shall count the ballots, make a certificate of the choice and notify the person so chosen; and, upon receipt by the town clerk of a written acceptance by the person so chosen, the person shall be deemed elected and qualified as a town meeting member, subject to the right of all town meeting members to judge the election and qualification of members, as provided in section ten.

A town meeting member appointed or chosen to fill a vacancy as herein provided shall serve only until the next annual town election.

A tie vote between two or more persons for the last place to be filled by elected candidates, or between two or more persons with the highest number of votes as defeated candidates, or between two or more persons with the second highest number of votes as defeated candidates, shall in each instance be resolved by a majority vote of the town meeting members from that precinct attending a meeting called by the town clerk for that purpose. Upon the resolution of such tie vote by the town meeting members, the person or persons not so chosen for the last place to be filled by elected candidates shall be deemed for the purposes of this section to be the person or persons receiving the highest vote as defeated candidates, and the person or persons so tied at the election with the highest number of votes as defeated candidates who are not so chosen by the town meeting members of the precinct shall be deemed for the purposes of this section to be the person or persons receiving the second highest vote as defeated candidates.

Section 10. Town Meeting to be Judge of Own Members. The representative town meeting shall be the judge of the election and qualifications of its elected members.

Section 11. Time, Notice, Conduct and Adjournment of Town Meeting. The annual town meeting for the election of town officers and such other matters as may be voted on the official ballot thereof, and the annual town meeting for the transaction of business by the representative town meeting, shall be held in February, March, April or May of each year, as shall be determined by vote of the town.

The town clerk shall notify town meeting members of the time and place at which representative town meetings are to be held, such notices to be sent by mail at least seven days before the meeting.

A majority of the town meeting members shall constitute a quorum for transacting business, but a lesser number may organize temporarily and may adjourn from time to time. Notice of every adjourned representative town meeting shall be posted by the town clerk in five or more public places in the town, and the town clerk shall also notify the members by mail of the adjournment at least twenty-four hours before the time of the adjourned representative town meeting, if the period of adjournment will permit. The notices shall state briefly the business to be acted upon at any meeting and shall include notice of any proposed reconsideration. All town meetings shall be open to the public and press; and, subject to such conditions as may be determined from time to time by the representative town meeting, any voter of the town who is not a town meeting member may speak at any representative town meeting, but he shall not vote.

Section 12. Warrant Articles and Voting Thereon by Town Meeting. The articles in the warrant for every town meeting, as far as they relate to the election of the moderator, town offices, town meeting members, and, as herein provided, to referenda and all other matters to be acted upon and determined by ballot, shall be acted upon and determined by the registered voters of the town in their respective precincts.

All other articles in the warrant for any town meeting shall be acted upon and determined exclusively by town meeting members at a meeting to be held at such time and place as shall be set forth by the selectmen in the warrant for the meeting, subject to the referendum provided for by section thirteen.

Section 12A. Right of Initiative; Initiative Procedures. Registered voters of the town may, by initiative petition prepared and filed in accordance with the provisions of this section, propose to any annual town meeting the passage of a measure and, if such measure be not so passed by said annual town meeting, may cause such measure to be submitted to the voters of the town for their approval or disapproval thereof as hereinafter provided. However, no measure shall be proposed by initiative petition hereunder which: (1) makes a specific appropriation of money from the treasury of the town other than an appropriation to pay for the costs of a study or to pay for a capital acquisition or improvement, (2) amends the zoning map or zoning by-laws of the town, or (3) proposes the submission to the voters of the town of an amendment to the charter.

An initiative petition shall set forth the full text of the measure proposed by the petitioners, and shall first be signed by not less than one hundred and no more than two hundred and fifty registered voters of the town, each of whom shall sign his name and record his address on said petition as his name and address appear on the list of registered voters. Said initiative petition shall be submitted to the town counsel not later than the fifteenth day of January prior to the annual town meeting into which that petition is to be introduced. If said town counsel shall certify that the measure proposed by said initiative petition does not conflict with the constitution or laws of the Commonwealth, and that it includes only subjects not excluded from the initiative by this section, said initiative petition shall then be filed by him with board of selectmen, who shall cause the measure proposed therein to be included in the warrant for the annual town meeting aforesaid as an initiative article, so designated; provided, however, that if the town counsel shall fail, within ten days following his receipt of an initiative petition, to notify the board of selectmen in writing of his reasons for not certifying said petition, that petition shall be deemed to have been certified by him, and, upon the request of any registered voter who had previously signed such petition, the board of selectmen shall cause the measure therein proposed to be included in the aforesaid warrant as an initiative article, so designated.

Whenever an initiative article is included in the warrant for an annual town meeting, the moderator shall give to any registered voter of the town who signed the initiative petition the privilege of making the first substantive motion under the initiative article, which shall be in the words of the proposal in said article. The moderator shall allow opportunity for debate on such initiative article and motions thereunder, and shall not accept a motion to put the previous questions as to the first substantive motion or as to any motion in substitution therefor until the petitioners and their opponents have been afforded a reasonable time within which to present their arguments nonrepetitously. The town meeting shall act on the first substantive motion in the form in which it is presented, and, if such motion is not passed, the town meeting may take such other action under the initiative article which is within the scope thereof, including the adoption of any alternative measure. Action under an initiative article shall be taken by majority, two-thirds or such other vote as may be required by the nature of such action under applicable state laws.

If such annual town meeting shall dissolve without having adopted, enacted or voted passage of the first substantive motion presented as aforesaid under an initiative article, but if at least one-fourth of the total number of town meeting members voting upon said first substantive motion shall have voted in the affirmative, the original petitioners of

said initiative article may complete their petition by filing with the board of selectmen an additional number of signatures of registered voters of the town which, when combined with the signatures of the original petitioners, will equal in number not less than fifteen percent of the total number of persons registered to vote in the town. Each additional signatory voter shall sign his name, and record his address upon the petition as the same appear on the list of registered voters, and all such additional signatures shall be gathered not earlier than the day following the day on which the aforesaid town meeting dissolved, and shall be filed with the board of selectmen as set forth above not later than twenty days, exclusive of Sundays and legal holidays, following said dissolution.

If such annual town meeting shall have adopted, enacted or voted passage of any motion as an alternative to or substitute for the first substantive motion above referred to, the original petitioners of the initiative article may in like manner complete their initiative petition by filing with the board of selectmen an additional number of signatures, all as provided in the next preceding paragraph.

Within ten days after the filing of the completed initiative petition as aforesaid, the Selectmen shall issue a call for a special meeting of the voters, which shall be held within fourteen days after the issuing of that call, for the purpose of presenting to the voters at large the measure proposed in said petition which has been acted upon unfavorably by the town meeting, and any alternative measure which may have been adopted by the town meeting, provided, however, that the fourteen days aforesaid shall not include any Sunday or legal holiday, or any day between the first Wednesday in July and the first Wednesday in September immediately following during which latter interval no such special meeting shall be held. Both of said measures shall appear upon the ballot to be voted upon by the voters at large, and shall be stated in the same language and form used in the motions acted upon by the town meeting, as appearing in the records of said meeting. The check list shall be used in the same manner as in the election of town officers.

If a majority of the registered voters of the town voting, thereon, and at least twenty percent of all the registered voters, shall vote in the affirmative on either such first substantive motion or upon such alternative motion, the measure voted upon in the affirmative by the number of voters thus required and the measure receiving the larger number of votes if conflicting measures are approved shall take effect immediately or at such later time as may be specified in such measure, or if it be a by-law subject to the approval of the Attorney General it shall take effect subject to section thirty-two of chapter forty of the General Laws; provided, however, that any measure the passage of which shall by law require a two-thirds affirmative vote of the town meeting members voting thereon in a town meeting shall, if proposed by an initiative petition hereunder, or if it be an alternate measure adopted by the town meeting shall require the affirmative vote of two-thirds of the registered voters voting thereon at a special meeting called by the Board of Selectmen under this section. Any measure proposed by initiative petition, or adopted by affirmative vote of the town meeting, and approved by the registered voters of the town under this section shall thereafter be subject to amendment, revision or repeal by the town meeting, subject to the right of referendum by petition as provided in Section thirteen.

No provision in this section shall negate or in any way limit the right of ten or more registered voters to have an article inserted in the annual town meeting warrant at their written request, or the right of one hundred registered voters, or ten percent of the total number of registered voters of the town, whichever number is the lesser, to have an article inserted in a special town meeting warrant at their written request, or the right of two hundred registered voters or of twenty percent of the total number of registered voters of the town, whichever number is lesser, to request in writing the calling of a special town meeting, all as provided for in Chapter 39, Section 10, of the General Laws.

Section 13. Referenda on Representative Town Meeting Action. No final vote of a town meeting passing a measure under any article in the warrant, except a vote to adjourn or dissolve, or a vote appropriating money for the payment of notes or bonds of the town and interest thereon becoming due within the current fiscal year, or a vote for the temporary borrowing of money in anticipation of revenue, or a vote declared by preamble by a two-thirds vote of the town meeting members present and voting thereon to be an emergency measure necessary for the immediate preservation of the peace, health, safety, or convenience of the town, shall be operative until after the expiration of twenty days, exclusive of Sundays and legal holidays, from the dissolution of the town meeting.

If within said twenty days a referendum petition, signed by not less than fifteen percent of the registered voters of the town, containing their names and addresses as the same appear on the list of registered voters, is filed with the Board of Selectmen requesting that the measure passed by any such vote which has not become operative as aforesaid be submitted to the voters of the town at large, then the operation of such vote shall be further suspended pending its determination as hereinafter provided, and the Board of Selectmen, within ten days after the filing of the referendum petition, shall call a special meeting which shall be held within fourteen days after the issuing of the call for the purpose of presenting to the voters at large the measure so involved; provided, however, that the fourteen days aforesaid shall not include any Sunday or

legal holiday, or any day between the first Wednesday in July and the first Wednesday of September immediately following, during which latter interval no such special meeting shall be held.

All votes upon any measure so submitted shall be taken by ballot; and the measure so submitted shall be stated upon the ballot in the same language and form in which the motion was adopted by the Town Meeting, as appears from the records of said town meeting. The check list shall be used in the same manner as in the election of town officers. If a majority of the registered voters of the town voting thereon, and at least twenty percent of all the registered voters, shall vote in the negative, the action of the town meeting in passing the measure which is the subject of the referendum petition shall be null and void; otherwise, such measure, as voted by the town meeting, shall take effect immediately upon the declaration by the selectmen of the vote upon the referendum, or at such later date as may be specified by said vote of the town meeting.

If such referendum petition is not filed within said period of twenty days, the vote of the town meeting passing the measure which is the subject of the said petition shall become operative upon the expiration of said period, or at such later date as the vote passing said measure may specify.

Section 14. Powers of Town and Town Meeting. The town shall continue to have the capacity to act through and be bound by its said town meeting members who shall, when convened from time to time as provided by law, constitute representative town meeting; and the representative town meeting shall exercise exclusively, so far as will conform to the provisions of this charter act, all powers vested in the municipal corporation. Action in conformity with all provisions of law, now or hereafter applicable to the transaction of town affairs in town meetings, shall, when taken by any town meeting in accordance with the provisions of this charter, have the same force and effect as if such action had been taken in a town meeting open to all the voters of the town as heretofore organized and conducted.

Section 15. Certain Rights of the People not Abridged. This charter act shall not abridge the right of the inhabitants of the town to hold general meetings as that right is secured to them by the constitution of this commonwealth; nor shall this charter act confer upon any representative town meeting of the town the power finally to commit the town to any measure affecting its municipal existence or changing its government, without action taken thereon by the voters of the town at large, using the official ballot and check list therefor.

PART 3.

(b) Acting Town Manager. With the approval, the town manager may transfer the duties and powers, and, so far as is consistent with the use for which the funds were voted by the town, transfer the appropriation of one department to another.

(3) The town manager shall have jurisdiction over the rental and use of all town property, except school property, and shall be responsible for the maintenance and repair of all town buildings, including school buildings and grounds. All town agencies and positions shall be subject to the rules and regulations adopted under this section, excluding employees of the school department, and as otherwise provided under chapter 150E of the General Laws.

Personnel policies referenced in clause (ii) or changes to such policies, shall not be submitted to the board of selectmen without the prior review and approval of the personnel board. Classification plans or compensation plan referenced in clauses (iii) or (iv), or changes to such plans, shall not be submitted to the board of selectmen for approval until as the town manager has submitted the plan or plan revision to the personnel board for review and comment and, provided the comments are made within 15 days of submission, has provided written response to any comment made by the personnel board. In all other aspects of the personnel system, the town manager shall confer with the personnel board.

(6) The town manager shall fix the compensation of all town employees except those under the jurisdiction of the school committee within the limits established by appropriation and subject to chapter 150E of the General Laws.

(7) The town manager shall negotiate and administer all collective bargaining agreements with employee organizations representing town employees other than employees of the school department, pertaining to wages and other terms and conditions of employment, in accordance with chapter 150E of the General Laws; and such agreements, other than agreements with employee organizations representing school department employees, shall be subject to the approval of the board of selectmen. The town manager may, with the approval of the board of selectmen, employ special counsel to assist in the performance of the foregoing duties. The town manager or his designee shall participate in the deliberations of the school committee in collective bargaining with employee organizations representing school department employees, as provided in chapter 150E of the General Laws.

(8) The town manager shall keep records of the office of town manager and shall render as often as may be required by the board of selectmen a report of all operations during the period reported on.

(9) The town manager shall keep the board of selectmen advised as to the needs of the town and shall recommend to the board of selectmen for adoption measures requiring action by them or by the town as considered necessary or expedient by the town manager.

(10) The town manager shall be responsible for the implementation of town meeting votes and shall report annually in writing to the town meeting on the status of prior town meeting votes on which implementation is not complete except matters as relate to the schools.

(11) The town manager shall administer, either directly or through a person or persons appointed by him in accordance with this charter, all provisions of general and special laws applicable to said town, and by-laws and votes of the town, and all rules and regulations made by the selectmen except matters as relate to the schools.

(12) The town manager shall report to the selectmen and the finance committee as to the financial condition of the town.

(13) The town manager shall have access to all town books and papers for information necessary for the proper performance of his duties, and may, without notice, cause the affairs of any department or activity under his control, or the conduct of any officer or employee thereof, to be examined.

(14) The town manager shall be accessible and available for consultation to chairs of boards, committees and commissions of the town, whether appointed or elected, and shall make accessible and available to them such data and records of his office as may be requested in connection with their official duties.

(15) The town manager shall perform such other duties consistent with his office as may be required of him by the by-laws or vote of the town or by the vote of the selectmen.

(16) The town manager shall be the chief fiscal officer of the town. Warrants for the payment of town funds prepared by the town accountant, in accordance with section 56 of chapter 41 of the General Laws, shall be submitted to the town manager. The approval of the warrant by the town manager, or in his absence the acting town manager, shall be sufficient authority to authorize payment by the town treasurer, but the selectmen shall approve all warrants in the event of the absence of the town manager or acting town manager, or a vacancy in the office of town manager.

(17) Whenever any payroll, bill or other claim against the town is presented to the town manager, he shall, if the same seems to him to be of doubtful validity, excessive in amount, or otherwise contrary to the interests of the town, immediately investigate the facts and determine what, if any, payment should be made. Pending the investigation and determination by the town manager, payment shall be withheld.

Section 20C. Estimate of Capital Expenditures. All boards, departments, committees, commissions and officers of the town shall annually, at the request of the town manager, submit to him in writing a detailed estimate of the capital expenditures, as defined by by-law, required for the efficient and proper conduct of their respective departments and offices for the ensuing fiscal year and the ensuing 4 year period. The town manager, after consultation with the board of selectmen, shall submit in writing to the board of selectmen a careful, detailed estimate of the recommended capital expenditures for the aforesaid periods, showing specifically the amount necessary to be provided for each office, department and activity and a statement of the amounts required to meet the debt service requirements or other indebtedness of the town. The selectmen shall transmit a copy of the capital budget to the finance committee along with the board of selectmen's recommendations relative thereto. The calendar dates on or before which the capital budget is to be submitted and transmitted shall be specified by by-law.

He shall be specially fitted by education, training and experience to perform the duties of the office, and may or may not be a resident of the town. During his tenure, he shall hold no elective public office or other public appointive office, nor shall he be engaged in any other business or occupation. He shall, subject to the approval of the town manager, appoint assistants, agents and employees as the performance of the duties of the various departments under his supervision may require, and may with like approval remove them. The town may, within its limits, make and maintain subdrains and, with the approval of the state department of public health, discharge the water into any brook, stream or watercourse within the town. The town may make and maintain within its limits in any way where main drains or common sewers are constructed such connecting drains, underdrains and sewers within the limits of such way as may be necessary to connect any estate which abuts upon such way.

Section 25. Particular Sewers. The town, through its board of selectmen, acting as the board of public works, may upon the application of the owner of any estate abutting on any way where a main drain or common sewer is constructed, lay in such sewered way and in the private land of such owner such particular sewer or connecting drain as may be necessary to connect any building on such estate with such main drain or sewer, and the town manager may make all necessary contracts in the name and behalf of the town for such purpose. Any person injured in his property by any action of the selectmen under this section may recover damages from the town under said chapter seventy-nine.

Section 27. Apportionment of Costs of Sewage Disposal. The town shall by vote of its town meeting determine what proportion of the cost of said system or systems of sewerage and sewage disposal the town shall pay; provided, that it shall pay not less than one-fourth nor more than two-thirds of the whole cost. In providing for the payment of the remaining portion of the cost of said system or systems or for the use of said system or systems, the town may avail itself of any or all of the methods permitted by general law, and the provisions of general law relative to the assessment, apportionment, division, reassessment, abatement, and collection of sewer assessments, to liens therefor and to interest thereon shall apply to assessments made hereunder. At the same meeting at which it determines the proportion of the cost which is to be borne by the town, it may by vote determine by which of such methods the remaining portion of said cost shall be provided for. The collector of taxes of the town shall certify the payment or payments of such assessments or apportionments thereof to the board of selectmen, who shall preserve a record thereof.

Section 28. Assessment of Sewer Betterment. The cost of constructing each particular sewer or connecting drain described in section twenty-five shall be assessed by the board upon the estate benefited thereby. A copy or duplicate of this certificate shall, within ten days after the filing of the same with said collector of taxes, be recorded in the registry of deeds for the county of Norfolk, or, in the case of registered land, filed in the office of the assistant recorder for the Norfolk County Registry District. The collector of taxes shall, upon receipt of such certificate, make a written demand for the payment of such assessment or charge, and every owner shall, within three months after such demand is served upon him or on the occupancy of such estate, or sent by mail to the last address of the owner known to the collector of taxes, pay to said collector of taxes the sum so assessed or charged. Except as provided in this paragraph, the provisions of the General Laws relative to the assessment, apportionment, division, reassessment, abatement and collection of sewer assessments, to liens therefor and to interest thereon shall apply to assessments made under this paragraph. In applying said provisions to such assessments, the notice referred to in this paragraph shall be deemed to be the demand of the tax collector required thereunder. The lien for any assessment made under this paragraph shall attach upon the recording or filing for registration of the copy of duplicate of the certificate of assessment. In the apportionment of such assessments thereunder, no installment shall be less than ten dollars.

Section 29. Application of Sewer Receipts. The receipts from sewer assessments and from payments made in lieu thereof shall be applied to the payment of charges and expenses incident to the maintenance and operation of said system of sewerage, or to the extension thereof, to the payment of interest upon bonds and notes issued for sewer purposes or to the payment or redemption of such bonds or notes.

Section 31. Sewer Regulations. The board of selectmen, as the board of public works, may from time to time prescribe rules and regulations for the connection of estates and building with main drains and sewers, and for inspection of the materials, the construction, alteration and use of all connections and drains entering into such main drains or sewers, and may prescribe penalties, not exceeding fifty dollars, for each violation of any such rule or regulation. Such rules and regulations shall be published at least once a week for three successive weeks in some newspaper published in the town, if there be any, and if not then in some newspaper published in the county of Norfolk, and shall not take effect until such publications have been made.

In the Year One Thousand Nine Hundred and Eighty-eight.

AN ACT ESTABLISHING A SPECIAL ACCOUNT FOR THE GLOVER MEMORIAL HOSPITAL OF THE TOWN OF NEEDHAM.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. Notwithstanding the provisions of section fifty-three of chapter forty-four of the General Laws or any other provision of law to the contrary, the town of Needham hereinafter referred to as the town may establish a separate account classified as the Glover Memorial Hospital Special Account. Said hospital is hereinafter referred to as the hospital, said special account is hereinafter referred to as the special account. All funds now held by the town and received from or on account of the hospital, other than funds under the jurisdiction of the commissioners of trust funds of the town, shall be transferred to the special account and all receipts, revenues and funds from any source derived from or on account of any activity or activities of the hospital shall be deposited in the special account. Grants from the federal government or any agency thereof or the commonwealth or any agency thereof for the use, benefit or support of the hospital shall also be deposited in the special account. The town may from time to time appropriate funds for specific purposes relating to the provisions of health care for the citizens of the town and such appropriations shall be deposited in the special account. The special account shall be maintained by the treasurer of the town who may invest the funds in the special account in the manner authorized by sections fifty-five and fifty-five A of chapter forty-four of the General Laws. Interest earned on or income or proceeds received from any investment of funds of the special account shall be credited to and become part of the special account. The acceptance of grants to be deposited in the special account shall be made on behalf of the town by the trustees of the hospital hereinafter referred to as the trustees.

SECTION 2. The books and records of the special account and of the hospital shall be maintained in accordance with generally accepted accounting principles pertaining to not-for-profit charitable institution and in accordance with the requirements of section thirty-eight of chapter forty-four of the General Laws provided that they shall be kept so as to provide at all times for the segregation of funds derived from appropriations made pursuant to section one or advances made pursuant to section five from all other funds held in the special account. Such books and records shall be audited annually by a certified public accountant appointed by the board of selectmen hereinafter referred to as the board who shall file copies of each report of audit with the trustees and with the board, the finance committee and the director of finance of the town and with the bureau of accounts hereinafter referred to as the bureau of the department of revenue.

SECTION 3. Not less than sixty days prior to the beginning of each fiscal year, the trustees shall submit to the board and the finance committee of the town a budget, in such form and detail as the trustees may determine and the board, may approve of anticipated revenues from operations and proposed expenditures by the hospital during such fiscal year. Said budget shall also include estimates of revenue from investment of funds in the special account. Upon consideration of any recommendation of the finance committee, the board may approve or reduce the proposed expenditures included in the budget, and the budget so approved shall constitute the budget of the hospital for such fiscal year. Said budget shall be reported to the commissioner of revenue in conjunction with the submission by the assessors of the town pursuant to section twenty-three of chapter fifty-nine of the General Laws. If, however, the budget as submitted to the board shall propose expenditures in excess of the sum of anticipated revenues from operations of the hospital and from investment of funds plus any balance of monies estimated to be on deposit in the special account, other than monies received from town appropriations made pursuant to section one for specific purposes or from grants for any purpose other than general operations of the hospital, at the close of business on the last day of the fiscal year next preceding the fiscal year respecting which the budget is submitted, after deducting from such balance all bills estimated to remain unpaid at the end of such fiscal year, the budget may not be approved by the board but shall be submitted to the town meeting for adoption as in the case of an appropriation. The term "approved budget" shall include a budget so adopted. If during a fiscal year the trustees shall determine that a revision of the approved budget is required, the trustees shall submit such revised budget to the finance committee and the board of the town. Such revised budget shall not take effect except to the extent approved by the board and shall not take effect in any event unless the expenditures proposed therein shall be no greater than the sum of revenues received and anticipated to be received through the end of the fiscal year from operations of the hospital and from investment of funds plus the then balance of monies on deposit in the special account, other than monies received from town appropriations made pursuant to section one for specific purposes or from grants for any purpose other than general operations of the hospital, in excess of bills or accruals then remaining unpaid. Approval by the board of a budget, whether

initial or revised, shall not be deemed to constitute an appropriation of funds on deposit or thereafter deposited in the special account. The provisions of section sixteen of chapter thirty-nine, sections fifty-eight and fifty-nine of chapter forty-one or sections thirty-one and thirty-three B of chapter forty-four of the General Laws shall not apply to any such approved budget or to liabilities incurred or expenditures made within the amounts proposed in any such approved budget to be expended. The trustees may not, however, incur any liability for a payment which shall be due on or before the end of the fiscal year in excess of the amount available for such payment pursuant to the approved budget.

SECTION 4. Expenditures from the special account may be made, within the items contained in the current approved budget, without appropriation, by the director or other official of the hospital authorized by the trustees. Such expenditures shall be made solely for the operation, maintenance and support of the hospital and for the provision of capital equipment and plant for the hospital, subject, however, to any limitations imposed upon the expenditure of funds appropriated by the town or received as grants. The trustees shall file monthly with the director of finance, the board and the finance committee of the town statements of expenditures made and of receipts from operations for the month and fiscal year to date for the operation, maintenance and support of the hospital and for capital expenditures. Said reports shall show budget expenditures and receipts for the month and fiscal year to date. Annually, within one hundred and twenty days after the close of the fiscal year, the trustees shall file with the director of finance, the board and the finance committee of the town and with the bureau a report showing all expenditures made during such fiscal year for the operation, maintenance and support of and capital purchases for the hospital from the special account, all receipts from operations of the hospital and all other amounts deposited in the special account.

SECTION 5. Upon written request of the trustees certifying that a cash flow deficiency is expected in the special account and approval of such request by vote of a majority of the whole number of the board, the treasurer of the town shall transfer to the special account an amount not in excess of the anticipated deficiency from any available funds in the treasury of the town in any fiscal year in anticipation of the receipt of revenues from operations of the hospital during such fiscal year. Such advances outstanding at any one time during any fiscal year shall not exceed twenty-five per cent of the current budget of the hospital for such fiscal year as approved pursuant to section three. Prior to the end of such fiscal year the hospital shall repay such advances to the treasury of the town, together with an amount equal to the interest as determined by the director of finance of the town to be allocated to such advances. Unless the town meeting shall appropriate funds for the purpose and only to the extent of such appropriation, the town shall not be liable for any liability or obligation incurred by or on behalf of the hospital which remains unpaid at the end of a fiscal year other than to the extent of deposits thereafter made in the special account. If at the end of the fiscal year any advance made by the treasurer of the town pursuant to this section or amount of allocable interest thereon shall remain unpaid to any extent, unless the town meeting shall determine otherwise, the resulting deficiency shall be repaid to the treasury of the town out of deposits, from any source other than town appropriations, thereafter made in the special account before any payment shall thereafter be made from the special account other than for compensation or benefits of employees of the hospital who were such employees at the end of such fiscal year.

SECTION 6. Upon written certification by the treasurer of the town that a cash flow deficiency is expected in the treasury of the town and a request that monies be transferred from the special account to the treasury of the town, and upon approval of such request by the trustees and the board, the treasurer of the town shall transfer to the treasury of the town an amount, not in excess of the anticipated deficiency, from any available funds in the special account in any fiscal year in anticipation of the receipt of tax or other revenues of the town during such fiscal year. Such advances outstanding at any one time during any fiscal year shall not exceed twenty-five per cent of the budget of the hospital for such fiscal year as approved pursuant to section three. The town shall, prior to the end of such fiscal year, repay such advances to the special account together with an amount equal to the interest as determined by the director of finance of the town be allocable to said advances.

This act shall be subject to amendment or repeal only by laws enacted by the general court in conformity with the provisions of section eight of Article LXXXIX of Articles of Amendment to the Constitution, and shall not be subject to the provisions of chapter forty-three B of the General Laws.

SECTION 8. Sections seven and eight of this act shall take effect upon its passage. Sections one to six, inclusive, shall take effect on July first, nineteen hundred and eighty-eight.

SECTION 9. This act shall take effect upon its acceptance by the town of Needham.

Chapter 501.

THE COMMONWEALTH OF MASSACHUSETTS

In the Year One Thousand Nine Hundred and Eighty-nine.

AN ACT AUTHORIZING THE GLOVER MEMORIAL HOSPITAL OF THE TOWN OF NEEDHAM TO ENTER INTO COOPERATIVE AGREEMENTS WITH PRIVATE ENTITIES.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. Chapter three hundred and nineteen of the acts of nineteen and eighty-nine is hereby repealed.

SECTION 2. The board of trustees of the Glover Memorial Hospital with the approval of the board of selectmen of the town of Needham, may enter into agreements on behalf of the town and said hospital with any individual, private corporation, partnership or other entity to provide, jointly, medical services within the town or any adjacent municipality, or to engage in any activity or undertaking necessary or incidental thereto. Any such agreement may be for such period, not to exceed five years, as may be determined by the board of trustees with the approval of the board of selectmen. No such agreement shall provide for any subsidy or obligation for the payment of any money by the town thereunder to any person except for payments representing fair consideration for services rendered by, or goods received from, such person.

SECTION 3. No agreement shall be executed under the provisions of this act unless the chief executive officer or administrator of the hospital shall have issued a request for proposals in accordance with the provisions of this section. Prior to issuing such request, the hospital administrator shall undertake such studies as are necessary to determine the economic feasibility of the terms and conditions, including selection criteria, to be set forth in the request, and shall prepare a written analysis of the anticipated benefits and costs to the hospital and the town of the proposed joint provision of medical services or other such activities as compared with other alternative means of providing such medical services or other such activities. Not less than two weeks before soliciting proposals, the hospital administrator shall submit to the board of selectmen and the board of trustees the request for proposals and all studies and written analysis relating thereto.

The request for proposals shall include:

- (1) all criteria that will be utilized for the evaluation of proposals, together with a statement that such evaluation shall be based solely on said criteria;
- (2) all items or categories of information which must be included in the proposal, and a format for submitting such information;
- (3) a statement of those terms and conditions which shall not be subject to negotiation;
- (4) a statement that any agreement may incorporate by reference the proposal of the selected person;
- (5) a statement that any agreement shall include a provision for remedies on behalf of the town and the hospital in the event the selected person defaults on any of its terms.

Notice of the request for proposals shall be published at least once, not less than two weeks prior to the time specified for the receipt of proposals, in a newspaper of general circulation in the town. Such notice shall be posted for at least two weeks on the principal official bulletin board of the town and in a conspicuous place at the hospital until the time specified for receipt of proposals. Said notice shall provide a general description of the services desired and shall indicate where, when and for how long requests for proposal may be obtained.

Taking into consideration the financial terms of the proposals and the evaluations based on the criteria set forth in the request for proposals, the hospital administrator, with the approval of the board of selectmen and the board of trustees, shall determine the most advantageous proposal. He may negotiate revisions in the proposal selected. He may reject any and all proposals if he determines that rejection is in the best interests of the town and the hospital.

If the hospital administrator selects a proposal which did not offer the lowest cost to the hospital, he shall state in writing the justification for such decision. The hospital administrator shall maintain a written record of evaluations and negotiations undertaken pursuant to this act, and shall retain such record with the proposals.

SECTION 4. If the financial interest or commitment of the town and the hospital under an agreement authorized under this act is equal to or greater than that of the other parties, in the aggregate, all applicable laws and by-laws relating to procurement of supplies, services or real property, or the disposal of supplies or real property, shall apply to any such procurement or disposal. If the financial interest or commitment of the town and the hospital is less than that of the other parties, in the aggregate, such laws and by-laws shall be applicable to the extent such procurement or disposal is undertaken by or for the town or the hospital.

SECTION 5. No agreement shall be executed under the provisions of this act until a statement, signed under the penalties of perjury, has been filed with the town clerk by each other party to the agreement, giving the true names and addresses of all persons who have or will have a direct or indirect beneficial interest in said agreement. The provisions of this section shall not apply to any stockholder of the corporation the stock of which is listed for sale to the general public with the securities and exchange commission, if such stockholder holds less than ten percent of the outstanding stock entitled to vote at the annual meeting of such corporation.

SECTION 6. This act shall take effect upon its acceptance by the town of Needham.
