- *In the past year, Park and Recreation, the Town's Traffic Management Committee and/or Police Department received at least one complaint about parking issues or speeding at all of the parks below, except the High School and Mitchell. The most numerous complaints are from neighbors of DeFazio, Newman-Cusick, Cricket, and Broadmeadow.*

**AVERY:** The parking lot is NOT for use of the field. Park legally on Webster Street and do not block emergency access on driveway.

**BROADMEADOW:** Park in the lower parking lot, off of Broadmeadow Road, to the right of the school. *The Police have been asked to assist with parking that blocks emergency access and neighbors' driveways.*

**CLAXTON:** Park only in parking lot, without blocking entrances. There is NO parking at the RTS across the road, and overflow parking should move down to the Town Forest rather than park on Central Avenue.

**CRICKET:** All players and spectators should park in the spaces along Sunnyside Road. Police coverage is required if the number of parking spaces is not sufficient for the event. Teams should not arrive prior to the start time on the permit. Soccer balls may not be hit against the fence, and all practices should be faced away from Sunnyside Road.

**DeFAZIO:** *New in 2017 – parking barriers.* Park in an orderly manner in the parking lot following the guides, leaving spaces for emergency vehicles. DO NOT park in fire lanes! There is NO PARKING or drop-off on Dedham Avenue, on the neighborhood streets, or on the fields. *The Police have been asked to assist with improper parking, particularly in nearby neighborhoods.* DPW will periodically grade the parking lot surface to avoid potholes.
