ARTICLE 6. PAYMENT OF SUBCONTRACTORS

In accordance with Mass. Gen. L. Ch. 30, Sec. 39F, the following subparagraphs (a) through (i) are binding between the general **Contractor** and each subcontractor:

- (a) Forthwith after the general **Contractor** receives payment on account of a periodic estimate, the general **Contractor** shall pay to each subcontractor the amount paid for the labor performed and the materials furnished by that subcontractor, less any amount specified in any court proceedings barring such payment and also less any amount claimed due from the subcontractor by the general **Contractor**.
- (b) Not later than the sixty-fifth day after each subcontractor substantially completes his work in accordance with the plans and specifications, the entire balance due under the subcontract less amounts retained by the awarding authority as the estimated cost of completing the incomplete and unsatisfactory items of work shall be due the subcontractor; and the awarding authority shall pay that amount to the general **Contractor**. The general **Contractor** shall forthwith pay to the subcontractor the full amount received from the awarding authority less any amount specified in any court proceedings barring such payment and also less any amount claimed due from the subcontractor by the general **Contractor**.
- (c) Each payment made by the awarding authority to the general **Contractor** pursuant to subparagraphs (a) and (b) of this paragraph for the labor performed and the materials furnished by a subcontractor shall be made to the general **Contractor** for the account of that subcontractor; and the awarding authority shall take reasonable steps to compel the general **Contractor** to make each such payment to each such subcontractor. If the awarding authority has received a demand for direct payment from a subcontractor for any amount which has already been included in a payment to the general **Contractor** or which is to be included in a payment to the general **Contractor** for payment to the subcontractor as provided in subparagraphs (a) and (b), the awarding authority shall act upon the demand as provided in this section.
- (d) If, within seventy days after the subcontractor has substantially completed the subcontract work, the subcontractor has not received from the general **Contractor** the balance due under the subcontract, including any amount due for extra labor and materials furnished to the general **Contractor**, less any amount retained by the awarding authority as the estimated cost of completing the incomplete and unsatisfactory items of work, the subcontractor may demand direct payment of that balance from the awarding authority. The demand shall be by a sworn statement delivered to or sent by certified mail to the awarding authority, and a copy shall be delivered to or sent by certified mail to the general **Contractor** at the same time. The demand shall contain a detailed breakdown of the balance due under the subcontract and also a statement of the status of completion of the subcontract work. Any demand made after substantial completion of the subcontract work shall be valid even if delivered or mailed prior to the seventieth day after the subcontractor has substantially completed the subcontract work. Within ten days after the subcontractor has delivered or so mailed the demand to the awarding authority and delivered or so mailed a copy to the general **Contractor**, the general **Contractor** may reply to the demand. The reply shall be by a sworn statement delivered to or sent by certified mail to the awarding authority and a copy shall be delivered to or sent by certified mail to the subcontractor at the same time. The reply shall contain a detailed breakdown of the balance due under the subcontract

including any amount due for extra labor and materials furnished to the general **Contractor** and of the amount due for each claim made by the general **Contractor** against the subcontractor.

- (e) Within fifteen days after receipt of the demand by the awarding authority, but in no event prior to the seventieth day after substantial completion of the subcontract work, the awarding authority shall make direct payment to the subcontractor of the balance due under the subcontract including any amount due for extra labor and materials furnished to the general **Contractor**, less any amount (i) retained by the awarding authority as the estimated cost of completing the incomplete or unsatisfactory items of work, (ii) specified in any court proceedings barring such payment, or (iii) disputed by the general **Contractor** in the sworn reply; provided, that the awarding authority shall not deduct from a direct payment any amount as provided in part (iii) if the reply is not sworn to, or for which the sworn reply does not contain the detailed breakdown required by subparagraph (d). The awarding authority shall make further direct payments to the subcontractor forthwith after removal of the basis for deductions from direct payments made as provided in parts (i) and (ii) of this subparagraph.
- (f) The awarding authority shall forthwith deposit the amount deducted from a direct payment as provided in part (iii) of subparagraph (e) in an interest-bearing joint account in the names of the general **Contractor** and the subcontractor in a bank in Massachusetts selected by the awarding authority or agreed upon by the general **Contractor** and the subcontractor, and shall notify the general **Contractor** and the subcontractor of the date of the deposit and the bank receiving the deposit. The bank shall pay the amount in the account, including accrued interest, as provided in an agreement between the general **Contractor** and the subcontractor or as determined by decree of a court of competent jurisdiction.
- (g) All direct payments and all deductions from demands for direct payments deposited in an interest-bearing account or accounts in a bank pursuant to subparagraph (f) shall be made out of amounts payable to the general **Contractor** at the time of receipt of a demand for direct payment from a subcontractor and out of amounts which later become payable to the general **Contractor** and in the order of receipt of such demands from subcontractors. All direct payments shall discharge the obligation of the awarding authority to the general **Contractor** to the extent of such payment.
- (h) The awarding authority shall deduct from payments to a general **Contractor** amounts which, together with the deposits in interest-bearing accounts pursuant to subparagraph (f), are sufficient to satisfy all unpaid balances of demands for direct payment received from subcontractors. All such amounts shall be earmarked for such direct payments, and the subcontractors shall have a right in such deductions prior to any claims against such amounts by creditors of the general **Contractor**.
- (i) If the subcontractor does not receive payment as provided in subparagraph (a) or if the general **Contractor** does not submit a periodic estimate for the value of the labor or materials performed or furnished by the subcontractor and the subcontractor does not receive payment for same when due less the deductions provided for in subparagraph (a), the subcontractor may demand direct payment by following the procedure in subparagraph (d) and the general **Contractor** may file a sworn reply as provided in that same subparagraph. A demand made after the first day of the month following that for which the subcontractor performed or furnished the labor and materials for which the subcontractor seeks payment shall be valid even if delivered or mailed prior to the time payment was due on a periodic estimate from the general **Contractor**.

Thereafter the awarding authority shall proceed as provided in subparagraphs (e), (f), (g) and (h).

ARTICLE 7. ADJUSTMENT OF CONTRACT PRICE WHERE SITE CONDITIONS DIFFER SUBSTANTIALLY OR MATERIALLY FROM CONDITIONS INDICATED IN PLANS OR CONTRACT DOCUMENTS

As required by G.L. Ch. 30, Section 39N, the parties hereby agree:

If, during the progress of the work, the contractor or the awarding authority discovers that the actual subsurface or latent physical conditions encountered at the site differ substantially or materially from those shown on the plans or indicated in the contract documents either the contractor or the contracting authority may request an equitable adjustment in the contract price of the contract applying to work affected by the differing site conditions. A request for such an adjustment shall be in writing and shall be delivered by the party making such claim to the other party as soon as possible after such conditions are discovered. Upon receipt of such a claim from a contractor, or upon its own initiative, the contracting authority shall make an investigation of such physical conditions, and, if they differ substantially or materially from those shown on the plans or indicated in the contract documents or from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the plans and contract documents and are of such a nature as to cause an increase or decrease in the cost of performance of the work or a change in the construction methods required for the performance of the work which results in an increase or decrease in the cost of the work, the contracting authority shall make an equitable adjustment in the contract price and the contract shall be modified in writing accordingly.

ARTICLE 8. AWARDING AUTHORITY MAY ORDER GENERAL CONTRACTOR TO SUSPEND, DELAY, ETC. WORK; ADJUSTMENT IN CONTRACT PRICE; SUBMISSION OF CLAIMS

Pursuant to G.L. c. 30, Section 39O:

- (b) The general contractor must submit the amount of a claim under provisions (a) to the awarding authority in writing as soon as practicable after the end of the suspension, delay, interruption or failure to act and, in any event, not later than the date of final payment under this contract and, except for costs due to a suspension order, the awarding authority shall not approve any costs in the claim incurred more than twenty days before the general contractor notified the awarding authority in writing of the act of failure to involved in the claim.
- (c) In the event a suspension, delay, interruption or failure to act of the awarding authority increases the cost of performance to any subcontractor, the subcontractor

shall have the same rights against the general contractor for payment for an increase in the cost of his performance as provisions (a) and (b) give the general contractor against the awarding authority, but nothing in provisions (a) and (b) shall in any way change, modify or alter any other rights which the general contractor or the subcontractor may have against each other.

ARTICLE 9. EMPLOY COMPETENT PEOPLE

The **Contractor** shall employ only competent people to do the work. Whenever the **Town** shall notify the **Contractor** in writing that any person under the **Contractor's** employ is, in the **Town's** opinion, incompetent, unfaithful, disorderly or otherwise unsatisfactory, or not employed in accordance with the provisions of this Agreement, such person shall be discharged from the work and shall not again be employed on the Project, except with the consent of the **Town**.

ARTICLE 10. NONPERFORMANCE

In the case of any default on the part of the **Contractor** with respect to any of the terms of this Agreement, the **Town** shall give written notice thereof, and if said default is not made good within such time as the **Town** shall specify in writing, the **Town** shall notify the **Contractor** in writing that there has been a breach of the Agreement and thereafter the **Town** shall have the right to secure the completion of the work remaining to be done on such terms and in such manner as the **Town** shall determine, and the **Contractor** shall pay for the completion of such work and reimburse the **Town** for all expenses incurred by reason of said breach. The **Contractor** in case of such breach shall be entitled to receive payment only for work completed satisfactorily prior to said breach, so long as the total paid hereunder does not exceed the Contract sum, and the amount of any balance due the **Contractor** shall be determined by the TOWN and certified to the **Contractor**. The **Town** shall be reimbursed by the **Contractor** for the cost of additional services required by the **Town** in the case of a breach.
