“Why do I do what I do? When I was a teen I wish I had someone like me to talk to...and I have dedicated my career to being the type of person kids and teens can approach and relate to.”

“Sometimes it just helps to have another person to go and talk to! It is my hope as a clinician to provide a safe and comfortable environment where people can express themselves in creative ways and work through some of the difficulties that come with being a child and adolescent. ”

Maria Papantoniou
Administrative Assistant

"As a resident of Needham and a parent, I am excited to be a part of these outstanding services that support young people in our community and their families. Helping our youth deal with the stress of social issues and peer pressure is something I feel strongly about."
