NOTICE

Sidewalk and Road Improvement Notification

Central Ave (West St to Forest St)

The Department of Public Works Highway Division with a hired contractor (LaRovere) will rehabilitate sidewalks and install granite curbing on both sides of Central Av from West St to Forest St.

The sidewalk and granite curbing work is scheduled to begin the week of July 8th, 2019.

The road in this section of Central Ave is scheduled to be milled and paved, following the completion of the curbing and sidewalk improvement. Within 3 weeks after the roadway is paved new pavement markings will be placed about two weeks after paving is completed.

We ask residents to trim back trees or shrubs that are overgrown and are obstructing the sidewalk and identify irrigation that is close to the sidewalk.

Please expect minor delays getting in or out of driveways when crews are working near your property.

For DPW project updates, please visit: www.needhamma.gov/constructionalerts

Thank you for your cooperation and support.

If you have any questions or concerns please feel free to contact the Department of Public Works Highway Division at (781) 455-7550, between 7:00 a.m. and 3:30 p.m., Monday – Friday, or email rhoyland@needhamma.gov
