The Town of Needham is working with TEC, Inc. to identify construction projects that will improve pedestrian and bicycle travel in Needham. Through the *MassDOT Complete Streets* program, the Town can apply for grant money to construct these projects. The first step to making the request is identifying critical places for improvements. We would like your feedback!

Join us at 7:00 PM on Tuesday, February 4, 2020 in Powers Hall of the Needham Town Hall to learn more about the Complete Streets program and share your experiences and thoughts for improvements.
