All data is for display and planning purposes only and should not be considered accurate or complete. The Town of Needham assumes no liability for misuse or alteration of this data.

Planimetric data was interpreted from 1999 aerial photographs. Town boundary data was developed by MassGIS. Road centerline data has been updated for the year 2008.

Parcel data should not be considered accurate or complete for the current year. Non-Town Open Parcels were designated by searching for large, undeveloped parcels in the shown area. These include parcels owned by other government entities.
