14th Annual

Make A Statement Day

March 28

12:00PM

NHS Cafeteria

Make a Statement Day is your chance to speak out about an issue that is important to you. Educate others and raise awareness through the power of words and art. It is aimed at promoting diversity, tolerance and understating by creating an opportunity to communicate about issues of importance. This year Needham Youth & Family Services is working closely with NHS to build a mural of puzzle pieces so that all of your voices can be heard.

Design a puzzle piece and bring a friend or a group of friends on March 28th for an afternoon of fun and Free Pizza!
