Your Question: Is There a List of Restaurants Doing Take-out and Delivery?

We've received requests from many of you to share a list of restaurants that are open for delivery and take-out as well as the hours of those restaurants that are open. Thanks to the work of the Newton-Needham Chamber of Commerce and our very own community members, there are at least two great resources to help you find your next great meal. Check out the Chamber's [list](#) or visit the Facebook Group [Needham Restaurants](#). Needham Public Health has provided guidance to all food establishments on safe delivery and takeout protocols and is doing ongoing inspections of restaurants to ensure safe food handling practices.

A Note from Park and Rec Regarding Summer Volunteers

Considering the current guidance from Governor Baker, our 2020 Summer Volunteer registration has been **postponed**. Given the environment of uncertainty, the Park and Recreation team feels that postponing the registration for this program is in the best interest of the participants of our programs, our staff and our volunteers. We will provide another update the week of April 20th. This update may include any changes that will be made to our program as well as our new registration date, if that information is available.

We at Park and Recreation hope that all of our families and friends in Needham are doing well and staying healthy. Should you have any questions, please email parkandrecreation@needhamma.gov.
