

The following restaurants in Needham are open for restaurant outside table service or take-out with on premise outdoor seating.

Asterisks (*) indicate alcohol/beer/wine license.

Please check this list frequently. The Town is working with many different establishments to support their re-opening efforts.

No place to sit outside at your favorite restaurant yet? Enjoy your favorite take-out at a picnic table located on the Town Common, the Heights Common, Greene's Field or the pedestrian walkway located between the railroad tracks and the Needham Bank. These four locations have been approved to allow the consumption of take-out alcoholic beverages (which have been purchased with your take-out).
