Statement of Town Manager Kate Fitzpatrick and Needham Police Chief John Schlittler on the Verdict in the Derek Chauvin Trial

"The verdict in the trial of Derek Chauvin was the right one, and we hope it begins to bring some peace to the family of George Floyd, who has suffered the most unimaginable loss any family could. Justice prevailed yesterday. Let this moment be a turning point for America as we continue our work here to better understand and listen to one another and to make Needham a place that is free from racism, discrimination and hate."
