Needham Welcomes Ellyse Glushkov as the Town's New Treasurer

NEEDHAM – Thursday, April 4, 2024 – The Town of Needham has welcomed Ellyse Glushkov as the new Treasurer/Collector. Glushkov began her position on March 18th.

Glushkov comes to Needham from the Town of Nantucket where she served as Tax Collector for nearly two years. As the head of the Town's Tax Department, she oversaw the department's daily operations and the collection of over \$100 million annually in taxes and fees. Gluskov managed a team of employees between two departments and worked closely with the Director of Finance and municipal finance staff to serve the community whose year round population of 14,250 multiplies each summer by nearly six times.

Prior to working for the Town of Nantucket, Glushkov worked for a private bookkeeping company on Nantucket for two and half years, managing accounts receivable, accounts payable and billing/invoicing for over forty businesses.

"I am pleased to welcome our new Treasurer/Collector, Ellyse Glushkov, to the Town of Needham," said Town Manager Kate Fitzpatrick. "She brings to Needham solid professional experience in both the public and private sectors and has already hit the ground running. We are delighted to have her on board."

Glushkov has a Master of Science in Accounting from the Isenberg School of Management at UMass Amherst and dual Bachelor of Science degrees in Plant and Soil Sciences and Horticultural Science from Stockbridge School of Agriculture at UMass Amherst.
